[illegible]

[illegible]

Figure 1 illustrates a branching structure. The top row shows a horizontal line, a branching node (/\), and a branching node (/\). The middle row shows a branching node (/\), a branching node (/\), and a branching node (/\). The bottom row shows a branching node (/\), a branching node (/\), and a branching node (/\). The diagrams are arranged in a grid with horizontal and vertical lines connecting them.
